Dear Mr. Fosburgh and Ms. Wallace:

I am writing to support my constituents in Brookline NH, who unanimously voted to approve the "Nashua, Squannacook, and Nissitissit River Stewardship Plan" and its recommendation to seek the Partnership Wild and Scenic designation. In my years as a Selectman in Brookline I was fortunate to work alongside the Conservation Commission to help acquire and protect several parcels that included extensive frontage along the Nissitissit River. The town's master plan focuses on the Nissitissit River as a priority water resource for protection, so I'm pleased to see the hard work of so many individuals is being recognized and the designation now a real possibility.

Respectfully Submitted,

State Representative John Joseph Carr

District 26

Brookline-Mason, New Hampshire

Rep. John J. Carr
